

# COMPANY PROFILE

## T3 INDUSTRIAL SOLUTIONS LLC

### ABOUT US

#### WHO WE ARE

T3 Industrial Solutions is a Louisiana-based industrial partner specializing in preconstruction site services, logistics and transportation, and bulk aggregate material supply.

We go beyond delivery — providing tailored solutions that reduce project costs, improve timelines, and boost efficiency, all while prioritizing safety. Our integrated approach supports contractors, EPCs, and developers across the Gulf Coast.

### WHY CHOOSE US?

#### OUR ADVANTAGE

What sets T3 apart is our ability to combine decades of experience with a flexible, solutions-first mindset. We leverage deep industry relationships and strategic logistics access to deliver custom support that drives performance, reliability, and results from day one.

### STRATEGIC PARTNERSHIPS

#### INDUSTRIES WE SERVE

T3 is a trusted partner across the energy, refining, chemical, infrastructure, and manufacturing sectors. We continue to build long-term relationships by providing reliable supply, responsive coordination, and solutions that strengthen execution across every phase of your project.

### VISION

To be the trusted partner of choice in the industrial sector, shaping the future of construction through strategic foresight and innovation.

### MISSION

To support clients with tailored logistics, pre construction solutions integrating material supply expertise while ensuring safety, efficiency, and long-term success.

### MAIN SERVICES

#### PRECONSTRUCTION SERVICES

Planning and site coordination to reduce risk, cut costs, and prepare for smooth execution.

#### AGGREGATE MATERIAL SUPPLY

Limestone, sand, fill, and specialty materials delivered with a logistics-first approach.

#### LOGISTICS & TRANSPORTATION

Shuttle service, bus operations, and parking logistics for safe, efficient workforce movement.

#### ONSITE CONCRETE BATCH PLANTS

Directly on-site or nearby for faster pours, reduced haul time, and improved project flow.
